Custom Accounting Solutions

Traditional accounting services in today's modern business climate.

# Ledgers Inc.

## Bringing Balance

**Traditional services in today's modern business climate ...**

Ledgers Inc. brings balance to your business by providing customized accounting services designed to fit your specific needs. We are solution-driven, and specialize in problem-solving, organizing financial data and providing meaningful financial reports.

Ledgers Inc. will bring you everything you expect from an accounting department. Your dedicated accounting professional is a QuickBooks Pro Advisor®, with experience in installation, set-up and use of a variety of QuickBooks® products.

Whether it is part-time, contract, in-office or remote services you're looking for, Ledgers Inc. will bring you a hands-on, flexible and dedicated accounting professional, experienced in corporate, S-corp, partnership, sole proprietorship and non-profit entities.

Our services are tailored to meet the specific requirements of your firm, enabling you to reach your short- and long-term goals.
