Trailway Campground on beautiful White Lake

We're a family-friendly campground, perfect for a week or a weekend in our charming sister towns of Montague and Whitehall.

The family can enjoy the sandy beaches and sand dunes of Lake Michigan just a short drive away. Plus the sunsets over the lake are unbeatable! The 22-mile Hart-Montague bike path runs alongside the campground and offers a unique way to access West Michigan's beautiful scenery. We're also centrally located to area attractions like 4th of July fireworks, Cruz'in classic car show & parade, the Arts and Crafts Show, and lots more.

You can peruse the Montague Farmers' Market, have dinner, take in a show at the Howmet Playhouse, and top it off with an ice cream treat all without getting in your car! We offer the best balance of a serene, natural setting and the convenience of small town living.

White Lake is six miles long and nearly a mile wide at its widest point. Because of its connection to Lake Michigan, the variety of fish caught in the lake is amazing. For the fisherman who seeks the big trophy, there are salmon and lake trout weighing anywhere from 10 to 50 pounds waiting to be caught in Lake Michigan. Occasionally one of the big ones gets into White Lake Channel and is caught by a fisherman who is looking for nothing more than a lake perch while fishing from the handicapped-accessible fishing bridge just steps away from Trailway Campground.
